# Petition to stop the cuts to our postal service

We the undersigned residents of Canada draw the attention of the House to the following:

- THAT** Canada Post is a vital communications link that helps connect the country;
- THAT** eliminating home delivery for millions of urban customers and slashing rural hours will unfairly impact seniors and people with disabilities;
- THAT** these planned cuts will mean the loss of up to 8,000 good-paying jobs;
- THAT** drastically increasing postal rates will make life even more expensive for cash-strapped families, small businesses and charitable organizations;
- THAT** you cannot save a business by cutting service and raising prices.

**THEREFORE, we call on the Government of Canada to stop these devastating cuts to our postal service.**
