

Petition to adopt Mulcair’s plan for affordable childcare

Stay connected

We, the undersigned residents of Canada, draw the Government of Canada’s attention to the following:

THAT after nine years of Conservative government, childcare costs are soaring, and 900,000 kids with working parents have no regulated childcare space;

THAT quality childcare and early learning offer children a head start in life while easing poverty, strengthening our economy and expanding women’s career opportunities;

THAT Tom Mulcair has put forward a plan to ensure there’s a quality, affordable childcare space for every child that needs one—with a goal of limiting parents’ costs to \$15 per day or less.

THEREFORE, we call on the Government of Canada to work with provinces and territories to implement Tom Mulcair’s plan for affordable childcare across Canada.
