

Stand up for Canadian democracy

**Don't let Stephen Harper impose voter suppression tactics and prevent
Elections Canada from promoting democracy**

Petition to stand up for Canadian democracy

We the undersigned residents of Canada draw the attention of the House to the following:

THAT the Government of Canada has introduced an election reform bill—Bill C-23—that will disenfranchise thousands Canadians by making it harder for them prove their right to vote;

THAT this bill makes it easier for big money interests to influence elections by raising the donation limit to \$1,500;

THAT this bill fails to give Elections Canada the investigative powers they need to crack down on voter suppression “robocalls” and electoral fraud

THAT this proposed legislation muzzles the Chief Electoral Officer and the Commissioner for Elections Canada—preventing them from speaking publicly about the importance of voting or engaging with Canadians.

THEREFORE, we call on the Government of Canada to reject Bill C-23 and bring forward genuine electoral reform which will stop fraud, prevent big money from distorting elections and ensure every Canadian can exercise their right to vote.
